

Gutter Program
May 17, 2023

Drexel Metals is pleased to introduce a new gutter program featuring multiple styles to suit any commercial or residential project. These gutter systems include K-Style, Half Round, and Box gutters. Products are regionally distributed out of Manchester, NH, Levittown, PA, and Port St. Lucie, with availability in the following states: ME, VT, RI, NH, NY, CT, MA, PA, NJ, DE, MD, D.C., VA, WV, NC, SC, GA, AL, MS, TN, FL, and LA.

Drexel Metals offers a comprehensive gutter program that combines efficiency with aesthetic appeal. Each gutter profile is accompanied by a range of components to provide a seamless system. All of our products are manufactured in the United States using high-quality domestically sourced metal. Drexel recognizes the significance of superior quality and has partnered with Sherwin-Williams® Coil Coating to offer top-performing finishes that are ideal for all applications. These finishes are designed to match perfectly with Drexel Metals' roof and trim profiles, ensuring a cohesive and attractive look.
