ABOUT US

These virtual Coffee Shop communities serve up information for contractors and property owners every day. Focused on improving businesses and sharing important information, our sites have created online communities that are making a difference. As an advertiser on RoofersCoffeeShop®, MetalCoffeeShop™, CoatingsCoffeeShop™ and/or AskARoofers™ doors will open for your business to the very heart of each industry. We believe in supporting contractors of all types and sizes along with the many businesses that contribute to the trades.

The Coffee Shops are breaking new ground in digital marketing. They are comprised of a community of contracting professionals who share ideas, tell stories, conduct research, sell items, find solutions and get help. Advertisers are able to connect with contractors across the country, not only selling but also learning about key issues and trends through the sites' tools which include podcasts, social media, eNews, online focus groups, forums and classified advertising.

Advertisers on all our sites will find excellent opportunities for sharing information about their services and products while being a part of the ongoing conversation that has given The Coffee Shops platform the reputation as the place *Where The Industries Meet!* Our mission is to provide contractors with valuable tools and networking opportunities that deliver every resource they could ever want. Training, trading, talking, researching and purchasing are a part of everyday business on The Coffee Shops and our advertisers are included in those conversations.

ROOFERS COFFEE SHOP

RoofersCoffeeShop was established in 2002 as a support site for Roofers Exchange, a national newspaper focused on classified ads. It was named RoofersCoffeeShop to represent a space similar to how many contractors in the past used coffee shops or diners early in the morning to meet with fellow contractors and crews. While there, they were able to exchange advice, tell stories and talk business. By naming the website RoofersCoffeeShop, it gives the roofing community a sense of past comfort and a doorway into new technologies that are essential to a strong business in today's world. For over twenty years RoofersCoffeeShop has delivered information, education and networking to the roofing industry bringing contractors and suppliers together every day. As a multiple award-winning platform it continues to deliver excellence to the roofing community.
